

ICRERA 2023

12th International conference on renewable energy research and applications
August 29-September 1, 2023, Oshawa, Canada

ICRERA 2023: Presenter Author's Biography

Presenter Name: Soraki Aizawa
Presenter E-mail: s20A4001GR@s.chibakoudai.jp
Organization: Chiba Institute of Technology
Department: Dept. Electrical & Electronic Engineering
Country: Japan

Paper ID: 84

Paper Title: Load-Independent Class-E Inverter with a Class-D Rectifier

Brief Biography

Soraki Aizawa was born in Ibaraki, Japan, on July 28, 2000. He has been working toward a B.E degree in electrical and electronic engineering at Chiba Institute of Technology, Chiba, Japan.

His current research interests mainly include high-frequency and high-efficiency inverter.
